SUMMARY

Communications and PR professional with a strong technical foundation and practical experience in content creation and support. I hold a Bachelor's in Computer Science and have held tech roles before transitioning into communications and PR, using that background to transform complex technical concepts into engaging and accessible narratives. I also have a genuine passion for gaming and a love for all things tech, fueling my creative approach and keeping me ahead of digital trends. Currently, I am pursuing a Master of Arts in Public Relations at Technological University Dublin and on track to graduate with a first class. I remain dedicated to driving clear, impactful messaging.

COMMUNICATIONS EXPERIENCE

Communications & PR Consultant (Tactical Project – ETBI Week 2025) Jan 2025 - Mar 2025
